"If you landed here as Easter approaches, what would you think Easter is about? Chocolate, bunny rabbits, cute chickens? Is that all? I believe there's more. That's why I made this Egg that reminds us why we celebrate Easter – because Jesus is alive again!"

- A great tool to help you reinforce the Resurrection message
- Only available through local churches & groups - not shops
- It helps your people spread the Easter message to family & friends

The **Happy Easter Story** booklet is inside the box, and it tells the Easter story in easy-to-read rhyme, with great illustrations. Online there's an audio version of the Happy Easter Story, free Easter competitions in the box and online, and lots more.

The high quality Irish chocolate egg and honeycomb crisp milk chocolates (total 195g) are made in Ireland, support Irish businesses, and are from ethically sourced cocoa beans farmed with respect for workers' rights.

For every Happy Easter Egg purchased, 10c is donated to the Hope Foundation, an Irish charity giving hope to deprived children in Kolkata, India who certainly don't know the luxury of an Easter egg.
